

Office of the President of the Philippines
Manila

26/04/06

*Recipient's name deleted by PCIJ

The President issued a desire letter for the election of Mr. Antonio Kalaw Jr. as President of the Development Academy of the Philippines [DAP]. In this regard, we ask that you (as board member of the DAP) support Mr. Kalaw's immediate election as DAP President in the upcoming board meeting on 28 April, especially in view of some information we have received that CSC Chair Constantino-David seeks to delay his election.
