June 7, 2010

Hon. Lorenzo R. Tañada III
Representative
4th District, Quezon

Your Honor:

This is in response to your Honor's letter dated 7 June 2010 requesting for an official record on the Roll Call during the session last 4 June 2010.

In view of several complaints relative to the attendance of the Members during the Roll Call on that day, the Secretariat is reviewing all available records regarding the matter. To date, two Members were identified as having been present but were inadvertently marked absent during that day.

As such, we are not yet in a position to officially release the names of the Members present during the Roll Call on that day.

Very truly yours,

MA. QUEENETTE D.L. MASANCAY
