Dear Ms. Ilagan:

We received your letter addressed to the Senate President Juan Ponce Enrile, inquiring about the alleged non-filing by the Pwersa ng Masang Pilipino (PMP) of its Statements of Election Contributions and Expenditures (SECE) with the Commission on Elections (COMELEC). We would like to reiterate that Senate President Enrile is the Chairman Emeritus of the PMP. Holding such honorary position with the PMP, the Senate President is therefore not knowledgeable of PMP's administrative affairs.

Thank you very much.

Very truly yours,
