Dear Ms. Jarilla,

Thank you for your letter of May 19, 2011.

Let me apologize for the delayed reply.

Let me inform you that the incumbent Chairman/President of KBL is former Comelec Commissioner Jaime C. Opinion, following my resignation last year. His address is No. 80 Maginhawa Street, Quezon City.

During my stint as Chairman/President from 1992 to 2010, COMELEC has never required KBL to submit the SECE, probably because Comelec presumes it is a penniless Party. However, after each election, all its candidates have been required to submit their respective SECE, and I believe most of them have complied.

Please let me be given time until June 15 to get the addresses of the KBL 2010 Senatorial candidates mentioned in your letter.

I hope the above will help you in your project.

God bless.

Yours truly,

VICENTE D. MILLORA
