Dear Ms. Ilagan,

This has reference to your letter dated July 3, 2018 requesting for comment on your inquiries in the matter of Legacy Construction Corporation's contracts with the Department of Public Works and Highways.

1. On your question number 1, we would like to respectfully state that Legacy Construction Corporation has been a partner of the National Government in implementing infrastructure projects for more than twenty-one (21) years now. All its projects are done professionally and within the **ISO:2015** industry standards.

The projects were awarded through competitive bidding in full accordance with and as required by Republic Act 9184, the Government Procurement Law. The records will show that Legacy Construction Corporation always adheres to and complies with the standards prescribed by R. A. 9184 and has always completed its projects to the satisfaction of its customers.

The corporation is just one of and in equal footing with many other companies dealing with the government doing infrastructure projects. It did not receive any special treatment or favor. Its pricing is always lower than the industry average.

The corporation has sufficient personnel, engineers, foremen and staff in the main office and in regions or provinces where the projects are located.

2. On your question number 2, we would like to inform you that Mr. Alex Abelido, together with his other co-accused, were **ACQUITTED** by the Sandiganbayan, Fifth Division, in its decision promulgated on March 26, 2015. For the details of said case and for your reference, we find it appropriate to attached herewith full copy of said decision as **Annex "A"**.

As to Mr. Dominador Abelido, reference to him is stated in footnote 3 at the first page of the decision, which states that:

“ ³Dominador Abelido died in 2006 prior to the filing of the Information with this Court. Per Order of the Court dated 16 September 2013, the charge against him was dismissed. ”

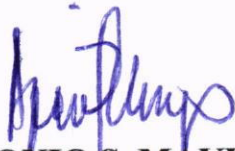

We sincerely hope that the foregoing manifestations and comments adequately satisfy you inquiries.

Thank you.

Very truly yours,

For and in behalf of MR.ALEX ABELIDO
President, Legacy Construction Corporation
